

Brighton County Court: Claim No. 5BNO3502 Bennett v Brighton&Hove City Council

Signed statements setting out the evidence of all witnesses on whom Colin Bennett intends to rely

I aver that I shall be relying on the evidence to all the Court hearings of myself, Ann Crammer and Richard Scott. My own evidence will be that already supplied in the Claim form over the Statement of Truth dated 29 July 2005 (or very near) and in all subsequent documents lodged. This will be supplemented in Court by my oral evidence.

The evidence of Ann Crammer and Richard Scott will be that in the signed witness statements already with the Court and their oral evidence to be made in Court.
