**Access Information**

- Level access to the stalls for wheelchair users.
- Disabled toilet facilities are available.
- Guide dogs are welcome.

**Infra-Red Listening Systems**

The Ambassador Theatre Group is now offering state-of-the-art Sennheiser infra-red listening systems in our venues. Please call the box office on 08700 606 650 or visit the Sennheiser web site at [www.sennheiser.co.uk](http://www.sennheiser.co.uk) for more details.

**STAGETEXT Captioned Performance**

Captioning converts the spoken word into text that provides people with hearing loss with access to live performance. In captioning, the words appear on a screen at the same time as they are sung or spoken. Captions also include sound effects and offstage noises. For more information visit [www.stagetext.org](http://www.stagetext.org)

**Those with special needs are advised to book in advance - please contact the Box Office for more details. Box Office: 08700 606 650**
