Dear Sir

Mr. Colin Bennett -v- Board of Trustees The Old Market Trust
Claim Number: 7BN0016

We refer to your letter of 12 April 2007. We note that you would be prepared to meet a representative of our client at The Old Market Art Centre to allow them to demonstrate the infra-red hearing aid system to you. We should be grateful if you would therefore provide some dates and times at which you would be able to attend The Old Market Art Centre.

In response to your request for the contact details for Accessibility of Lewes, our client informs us that this business is no longer in existence.

We refer to your email of 23 April. Our client is prepared to delay the date of the hearing listed for 8 May in the hope that this matter can be resolved at a meeting between yourself and our Client. We therefore attach a Consent

Order to facilitate this. Please complete and sign the Consent Order above your name where marked and return it to us. In addition, you will need to draft a covering letter to the Court, explaining your reasons for requesting that the hearing be delayed. Please enclose this with the signed Consent Order to enable us to file it at Court. We will notify you of filing in due course.

As the hearing is only 2 weeks away, please return the Order and covering letter to us without delay.

With reference to your question over agreeing draft submissions, the Court does encourage the parties to agree these. We suggest that that we attempt to agree directions once a new date has been fixed for a hearing?

We look forward to hearing from you in order to bring this matter to a satisfactory conclusion without the need to incur further costs.

Yours faithfully

Charles Russell LLP
