

Joint Statement by both Parties

The joint statement below was agreed by both Parties on 23 August 2007. As part of the agreement I am not allowed to publish the Schedule to the Consent Order (Tomlin Order) which was signed by Deputy District Judge Bishop on 5 September 2007. Accordingly that Consent Order as published as Document 44 has the Schedule omitted.

“The parties have reached agreement on this matter on mutually agreeable terms before the matter proceeded to a Court Hearing. An agreement has been signed recording this settlement.”

This case has now been concluded.
