Brief details of claim

I am seeking an Order under the Disability Discrimination Act 1995 (DDA) requiring the management of the Methodist Central Hall, Westminster (MCH) to install, operate and maintain an induction loop or an infra-red system serving all parts of the Lecture Hall in the MCH. I am a hearing-impaired person who can follow a meeting etc by means of two powerful hearing aids that I wear all the time. To do this it is necessary that the venue have an induction loop or an infra-red system. The Lecture Hall in the MCH did not have any such system operating or even installed when I attended an important meeting there on 4 December 2006. I am also claiming damages of £3,000 and my costs.
