Dear Mr Bennett

I am in receipt of your email to Nick Palfreyman dated 23.05.07 (at 11.23 am) and also Nick Palfreyman's email to you (undated but presumably sent 22/23.05.07).

I can confirm that for some years now an induction loop has been operational in our Chapel and infra-red hearing assistance was installed a year ago in our Great Hall.

Subsequently, procedures have been put in place to ensure that we are compliant under the DDA Directives whenever gatherings are held in any of our other spaces.

At Central Hall we take our responsibilities under the DDA extremely seriously and I am not sure that some of your comments are entirely helpful.

A month or two ago myself and a colleague had a meeting with Nick Palfreyman which was extremely useful and positive.

Michael Sharp

Dear Nick

Thanks for this prompt email.
