**Dear Melinda Stone**

**Claim against the Trust**

**Thank you for meeting me and Alice at Brighton County Court on 13 June 2008. Thank you also for your cooperation which means that we can settle this matter without nay further Court Hearings and without substantive litigation. This will benefit anyone including the taxpayer.**

**I think you well understand that my motive is to improve matters for people with defective hearing of whom there are large numbers who do not always reveal themselves.**

**Alice and I have prepared a draft Tomlin Order together with the Schedule to be attached to it. I attach that Order and the Schedule. You might consider the Schedule to be a bit wordy but it is meant to be a helpful guide to action rather than an outline of general aspirations.**

**No doubt if you have nay amendments which you are burning to make then of course I will consider them. I do hope that we can do this fairly quickly and so that we can submit jointly the Draft Tomlin Order to the Court and get the matter "sorted". We will thus be able to request "vacating" the Hearing provisionally booked for late August.**

**I suggest that if you are happy with the Order and Schedule then you prepare a formal Order and Schedule. If there are any tiny amendments or typos then you can remove them without coming back to me. We can then sign these documents and submit them to the Court.**

**Yours sincerely**  
**Colin Bennett**
