Bennett -v- Brighton and Sussex University Hospital NHS Trust
Claim Number 7BN01851

Dear Mrs Stone

Thank you for your letter dated 6 February your reference MLS/NL7/150 and the copy of the letter dated 6 February to Brighton County Court.

I am sorry to hear about what has happened to Tim Crosbie. I have never met him, to the best of my knowledge.

It seems that there is no alternative to litigation as the Trust will simply not address the problems which I encountered in Haywards Heath on 12 February 2007 and in Brighton on 8 May 2007. I have read many times the Trust's declarations of good intent but I am concerned with what it actually does. Fine words butter no parsnips! I note your words to the County Court. "Mr Bennett has recently identified further issues causing him concern, and is seeking to extend the Particulars of Claim to cover these further allegations." If that is what you think I am doing I am willing to go along with that.

Please find attached to this letter one of today's date that I have written to the Court.

Yours Sincerely

Colin B Bennett
