BH2002/02745/FP 1-6 St James Place

I have to object to this application on the following grounds :-

1-5 St James Place is public highway and therefore cannot be fenced off. In fact action could be taken by the highway authority under section 130 of the Highways Act 1980. This section states that it is the duty of the highway authority to assert and protect the rights of the public to the use and enjoyment of any highway for which they are responsible.
