He is a PEST!

Mr Hari Singh-Virk is a solicitor and is pestering me (too) by email and letter now that calls from him are barred by BT. He has just done building work in a conservation area without seeking planning permission.

Not a civic-minded person!

There is a Sussex saying:

"We won't be druv."

I've been away for a few days and am delighted to find in my absence that he doesn't want to communicate with me any more, but would like to contact my chairman.
