Nice to hear from you, Kate.

I am willing to do anything as this is such an important issue!

I have copied this to Planning Sanity. I do hope they can assist: they have been very helpful to date.

The letter from the PI is very encouraging. I am going for a full public enquiry.

Can you scan everything you received from the PI into an email and send to PS and me? I cannot do this.

Are you willing to let me mention Virk's pestering of you (and me) and his claim to you that I had withdrawn my objection?

Cheers

Colin

I have heard from the Planning Inspectorate today that there is to be a hearing. I regret I could not attend, but would you plan to do so? Would you be willing to speak for OSS?
