Dear Hilary Woodward

Thank you for this email. I have not heard from you before although I objected to the proposed Order a year ago.

I cannot see any reason to opt for a paper exercise in this important matter. Accordingly, I have gone along with Bristol's suggestion and informed them so.

Yours

Colin Bennett

Dear Mr Bennett

Re: Stopping Up Order - St James's Place , Brighton

I refer to the above matter.

I have received a letter (dated 8 September) from the Planning Inspectorate advising that the Inspectorate considers that the case is heard by way of hearing. I understand that you should have received a similar letter. As the solicitor advising the Council in this matter it is my view that this case could appropriately be dealt with by way of written representations and I would be interested to hear from you as to whether you would agree to this.

I look forward to hearing from you.

Yours sincerely
