Dear Clive Richards

My belated thanks for this.

In view of the implementation of Part 3 of the DDA from 1 October 2004, it is quite likely that the Inspector would produce a copy in large, bold print.

After all, it's only a matter of altering the "print" instruction for a document already created as a WP file!

Colin Bennett

Mr Bennett

I have been asked by my colleague, Rachael Sayers to e-mail you so that you have my contact details.

As you request, I will send all correspondence by e-mail and in this font (arial, 14pt, bold).

The only document that I will have to post to you will be the Inspectors decision. If possible, I will attempt to make sure that the decision is in large print (although this would be up to the Inspector).
