Dear hazel,  
thanks for your recent email which i cannot locate at the moment. I am out of the country from early tommorrow morning to the evening of 12 June.  
There will be a few days after that before the 42 days lapses. I do hope you will be able to give some attention to the question of whether SSD can assist perhaps with the help of Lord Lloyd and Lord Ackner. In haste.  
I have been thinking about this matter very mush. The implications of stocking up the Place are dire. There was a triumphalist article in the Argus recently. I think isent it to you by email.  
Best wishes  
Colin Bennett
